If written answers are tabled at the Meeting, they will be made available to Shareholders as soon as practicable after the Annual General Meeting.

5. Proxies

- 5.1 A Shareholder entitled to attend and vote at this Meeting is entitled to appoint not more than 2 proxies. If 2 proxies are appointed, each proxy must be appointed to represent a specific proportion or number of the Shareholder's voting rights. - 2 directors; or
 - a director and either a company secretary or other authorised signatory; or

- in the case of a proprietary company that has a sole director that is also the sole company secretary, by that director, or
 - the body corporate's appointed attorney under power of attorney.
- 5.6 In the case of joint holdings a proxy may be signed by any one of the joint holders. However, if the Company receives more than one appointment for the same Share:
- an appointment signed by all joint holders will be accepted in preference to an appointment signed by the Shareholder whose name appears first in the register of Shareholders or by any other Shareholder holding the share jointly; and
 - subject to the preceding paragraph, an appointment signed by the Shareholder whose name appears first in the register of Shareholders will be accepted in preference to an appointment signed by any other Shareholder or Shareholders holding the share jointly.
- 5.7 Completion of a proxy form will not prevent individual Shareholders from attending the Meeting if they wish. Where a Shareholder completes and delivers a valid proxy form and attends in person, the authority of the proxy to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
- 5.8 In the absence of your instructions, your proxy will vote or abstain from voting as they think fit.
- 5.9 Should you desire to direct your proxy how to vote, please insert 'X' or the percentage of votes in the box appropriate to each Resolution in the proxy form.

SHAREHOLDERS ARE URGED TO COMPLETE ANY ONE OF THE “FOR”, “AGAINST” OR “ABSTAIN” BOXES ON THE PROXY FORM THEREBY GIVING A DIRECTED PROXY WHICH THEN CAN BE COUNTED IN ACCORDANCE WITH THEIR WISHES.

EXPLANATORY STATEMENT

1. IMPORTANT NOTICE

- 1.1 This Explanatory Statement is given to Shareholders to explain the resolutions to be considered at the Annual General Meeting (**Resolutions**) and to allow Shareholders to determine how they wish to vote on the Resolutions. The Explanatory Statement should be read in conjunction with, and forms part of, the Notice of Annual General Meeting which this Explanatory Statement accompanies.
- 1.2 Capitalised words in this explanatory statement have a defined meaning which appears in it or in the Glossary.
- 1.3 This explanatory statement is dated 20 April 2010.

2. REPORTS

- 2.1 The Corporations Act requires the financial statements and reports of the Directors and Auditors to be laid before the Meeting. These are all incorporated into the 2009 Annual Report which is available on the Company's website at www.vitalifesciences.com.au. Neither the Act nor the Constitution requires Shareholders to vote on such statements and reports. However, Shareholders will be given ample opportunity to raise questions on the Annual Report and other matters at the Meeting. For further information as to these, see note 4 in the "Notes to the Notice of Meeting" section.

2.2 Explanation of Resolution 1 - Remuneration Report

The Directors' Report - "Remuneration Report" (**Remuneration Report**) is contained in the Company's 2009 Annual Report.

The Corporations Act requires a resolution be put to the shareholders of a listed company to adopt the remuneration report as disclosed in the Directors' Report component of the 2009 Annual Report (see pages 10 to 15 inclusive). This Resolution is being put so as to give Shareholders a reasonable opportunity to ask questions or make comments concerning the Remuneration Report during the Meeting. The vote on this Resolution is advisory only and non-binding on the Board.

The Remuneration Report:

- (1) explains the Board's policies in relation to the nature and level of remuneration paid to Directors, secretaries and senior managers with the Company;
- (2) discusses the link between the Board's policies and the Company's performance;
- (3) provides a summary of performance conditions, explaining why they were chosen and how performance is measured against them;
- (4) sets out remuneration details for each Director and for each member of the Company's senior executive management team; and
- (5) makes clear that the basis for remunerating non-executive directors is distinct from the basis for remunerating executives, including executive directors.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Meeting.

2.3 Directors' Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 1.

3. EXPLANATION OF RESOLUTION 2 – ELECTION OF DIRECTOR

- 3.1 Shareholders will be asked to consider and, if thought fit, pass the following Resolution as an ordinary resolution:

“That John Stewart Sharman, a director retiring by rotation in accordance with rule 5.1 of the Constitution, being eligible and having consented to act, be re-elected as a director of the Company.”

Mr Sharman, being eligible, offers himself for re-election as a Director of the Company and his consent to act will be tabled at the Meeting prior to the resolution to re-appoint him being put to the Meeting.

- 3.2 The Constitution and the ASX Listing Rules require that, at each annual general meeting, one third of the Directors must retire from office. The Directors retire by rotation and hence Mr Sharman is being put up for re-election.
- 3.3 The Nominations Committee of the Company has conducted an assessment of Mr Sharman, and has reviewed the skills, knowledge, experience and diversity represented on the Board. Having conducted those assessments and that review, the Board recommends to Shareholders the re-election of Mr Sharman.
- 3.4 The following is a profile of Mr John Sharman:

Board position:	Appointed Non-Executive Director in September 2006.
Qualifications:	Master of Applied Finance, Macquarie University, NSW, Bachelor of Economics Degree from Monash University, Victoria and an Associate of the Institute of Chartered Accountants.
Experience:	John has over 15 years experience in company management, private equity, investment banking and corporate finance. He has extensive experience in capital raisings, negotiation of key agreements, recovery and commercial strategies for performing and non-performing companies in all stages of company development.
Committees:	Member of the Audit and Risk Committee.

The Chairman of the Meeting intends to vote any undirected proxies in favour of the re-election of Mr Sharman.

3.5 Directors' Recommendation

The Board, other than Mr Sharman (who abstains), recommends that Shareholders vote in favour of Resolution 2.

4. EXPLANATION AND SUMMARY OF RESOLUTION 3: AMENDMENTS TO LONG TERM INCENTIVE PLAN (“PLAN”)

4.1 Shareholders will be asked to consider and, if thought fit, pass the following resolution as a **ordinary resolution**:

"That the Company approve the issue of Plan Shares, the principal terms of which are set out in the Explanatory Notes, is approved for all purposes including for the purpose of listing rule 7.2 exception 9 (as an exception to listing rule 7.1)."

4.2 Background

In the 2004 Annual General Meeting, shareholders approved the Company’s Long Term Incentive Plan (“Plan”) for key employees, senior executives, directors and officers of the Company. The Plan was also disclosed in the Company’s Prospectus prior to its listing in August 2007. The principal objective of the Plan is to recognise performance and behaviour that delivers sustainable long-term shareholder value and seeks to align the interests of management with those of shareholders.

Since 2004, the Company has grown significantly as evidenced by the 53% sales’ growth, from \$11.1 million in 2005 to \$17.0 million in 2009 and its expanding staff base. As a result, Directors proposed to vary the terms of the Plan.

4.3 The table below summarised the current and proposed amended Plan.

	Current Plan	Proposed Amended Plan
Purpose of the Plan	The purpose of the Plan is to encourage employees, directors and officers to share in the ownership of the Company. Those employees, Directors and officers who do participate are defined as “participating employees or officers”. Shares in the Company that are purchased pursuant to the Plan are referred to as “Plan Shares”.	No change.
Maximum Plan shares	The maximum Plan Shares to be purchased pursuant to this Plan by Directors, key employees and officers are 7.5% of total shares on issue after the issue of Plan shares. Based on the number of ordinary shares on issue as at the date of this notice being 54,285,307 shares, the maximum Plan Shares are 4,071,398 shares.	The maximum Plan Shares to be purchased pursuant to this Plan will be amended to 10% of total shares on issue after the issue of Plan shares. Based on the number of ordinary shares on issue as at the date of this notice being 54,285,307 shares, the maximum Plan Shares are 5,428,531 shares.
Plan Participation	Participation in the Plan is by invitation of the Directors. Such invitation to participate is at the absolute discretion of the Directors. There are rules covering the form of invitation and a minimum parcel of 100 shares must be applied for by participating employees or officers. There are rules covering the acceptance and allotment of Plan shares. Under no circumstances will shares be allotted if to do so would be in breach of the Corporations Act.	No change.

<p>Risk</p>	<p>There may be risks associated with participation in the Plan in that in certain circumstances the Plan Shares may lose value and participating employees or officers may not benefit from the investment. The issue of shares may have a dilutionary effect on the share price but the number in question here is regarded by the Directors as too few to likely to have that effect.</p>	<p>No change.</p>
<p>Financial Assistance</p>	<p>A participating employee or officer may apply to the Company for financial assistance to finance the subscription for Plan Shares. The Company may accept the application for financial assistance by making an interest limited (limited to dividends on the underlying shares) loan to the participating employee or officer (“borrower”).</p> <p>In any event the Company will not accept an application for financial assistance under the Plan if to do so would be in breach of the Corporations Act.</p> <p>Financial assistance is repayable:</p> <ul style="list-style-type: none"> - at the end of 5 years (or a longer period which the Company may determine); or - immediately upon the dismissal or resignation of the borrower; or - immediately upon failure to satisfy the performance hurdle (if any) within the time period determined by the Company or upon the death or retirement of the participating employee or officer or upon the termination of the employment of the participating employee or officer otherwise than by way of dismissal or resignation. <p>A participating employee or officer who received financial assistance shall:</p> <ul style="list-style-type: none"> - authorise the Company to sell any bonus shares, rights or further shares issued in respect of the Plan Shares and to apply all or any of the proceeds thereof in reduction of the amount of the borrower’s indebtedness to the Company; and - give an irrevocable direction to the Company to pay to itself on behalf of the borrower and for the purposes of reducing the amount of the borrower’s indebtedness to the Company or to meet any interest charge on the financial assistance, all or any moneys that may from time to time become payable in respect of the Plan Shares or other shares, including dividends. <p>A participating employee or officer who received financial assistance will be required to transfer the Plan Shares to the Company for their original subscription price upon:</p> <ul style="list-style-type: none"> - dismissal or acceptance of resignation; or - failure to satisfy performance hurdles within the time period (if any); or 	<p>No change.</p>

<p>Financial Assistance (Continued)</p>	<p>- at the end of 5 years; unless the borrower lodges a written request to retain the Plan Shares with the Directors before the fifth anniversary of the issue of the Plan Shares and the Directors, at its absolute discretion, decides to waive the transfer requirement.</p> <p>Where the financial assistance provided to a participating employee or officer is required to be repaid, the financial assistance provided must be repaid in full. Payment may be undertaken by offsetting any monies which the Company owes the borrower against the outstanding balance of the borrowings.</p> <p>The Board may at its absolute discretion provide financial assistance to a participating employee or officer, which financial assistance is secured by and strictly limited in all circumstance to the value of the Plan Shares. Where the Board has provided financial assistance in these circumstances, the Company will not in any circumstances be able to make any claim against the participating employee or officer in excess of the value realised for the Plan Shares.</p> <p>If the Company is authorised to sell any Plan Shares in order to pay any money owing by the participating employee or officer and the proceeds of sale exceed the total amount owing to the Company, the surplus shall be paid by the Company to the participating employee or officer.</p>	<p>No change.</p>
<p>Security for Financial Assistance</p>	<p>As security for financial assistance, a participating employee or officer must grant to the Company:</p> <ul style="list-style-type: none"> - a pledge of the Plan Shares acquired by the borrower at the time the financial assistance is provided to the borrower; - a charge over: <ul style="list-style-type: none"> (a) all the bonus shares, rights and further shares issued in respect of those Plan Shares; and (b) all the dividends paid or payable on those Plan Shares or other shares the subject of the charge. <p>The participating employee or officer must not create any other security interest over the Plan Shares whilst they are subject to the Plan. Where, a participating employee or officer does create a security interest over the Plan Shares, that participating employee or officer must transfer the Plan Shares to the Company for their original subscription price and fully repay any outstanding loan related to the Plan Shares and have no further entitlement under the Plan.</p>	<p>No change.</p>

Alteration of the terms and provisions of the Plan	Subject to the law, the Company may make such alterations, variations, additions, deletions or modifications to all or any of the provisions of the Plan or to all or any of the rights or obligations of the participants or any of them as may be determined by the Directors, provided however that no such alteration, variation, addition, deletion or modification shall be made if it would have the effect of depriving the holders of issued Plan Shares of any rights to which they are then entitled unless approved by 75% of the holders of Plan Shares affected by such a change or unless the amendments are required by law.	No change.
Period of Plan	The Plan, as approved by shareholders in the 2004 Annual General Meeting shall continue until terminated by resolution of the Directors at any stage.	No change.
Administration Expenses	The Company will meet the ongoing administration expenses of the Plan. The participating employee or officer will meet all outgoings and expenses in selling or otherwise dealing with his or her shares.	No change.

A copy of the Company's Plan is available for inspection at the Melbourne office referred to on the Proxy Form at the end of this Notice of Meeting by any member of the Company during normal hours on any business day prior to, or on, the date of the Meeting.

4.4 Reason for shareholder approval

The law in Australia is such that approval is not required by shareholders of the Company. However, consistent with the Company's commitment to adopt a better standard of corporate governance, the Directors are requesting that shareholders approve the terms of the proposed amended Plan.

Shareholders are being requested to approve the proposed amended Plan as an exception to the restriction in the ASX Listing Rule 7.1 that no more than 15% of the issued capital in any rolling 12 month period can be issued by the Company in any year without shareholder approval unless an exception applies. One of the exceptions is an issue of securities under an employee incentive scheme:

- a. That Shareholders approved the Plan Shares issue as an exception to the listing rule 7.1; or
- b. That the terms of the Plan were set out in the Prospectus where the Plan was established before the Company was listed;

within three years before the issue date.

Whilst the issue under the Plan will be considerably lower than the 15 percent, the Directors feel that it is prudent to carve these shares out of that limit so as to retain the maximum capacity to finance new business opportunities through issue of shares.

4.5 Directors' Recommendation

The non-executive Directors, as non-participating employees or officers, recommend that Shareholders vote in favour of Resolution 3.

5. EXPLANATION AND SUMMARY OF RESOLUTION 4: SHARE BUY-BACK

- 5.1 Shareholders will be asked to consider and, if thought fit, pass the following resolution as a **ordinary resolution**:

“That pursuant to and in accordance with section 257C of the Corporations Act 2001 (C’wlth), as amended, Rules 7.29 and 7.33 of the Listing Rules of ASX Limited, and for all other purposes, the shareholders approve, with effect from when the Directors make the relevant announcement to the ASX, the on-market buy-back of up to 15% of the fully paid ordinary shares in the Company expiring on whichever is the earlier of the anniversary of the passage of this resolution or the 2011 Annual General Meeting and otherwise on the terms and conditions set out in the Explanatory Statement accompanying the 2010 Annual General Notice of Meeting at which this resolution is to be put.”

5.2 Background

The Corporations Act authorises a listed company to buy-back its own shares on market if the buy-back does not materially prejudice its ability to pay its creditors and it follows the procedures set out in the Corporations Act. Shareholder approval is required if all of the shares bought back in the last 12 months are more than 10% of the minimum number of shares on issue at any time during the last 12 months. This limit after which a company requires shareholder approval for an on-market buy-back is called the "10/12 limit".

Authority is sought to affect an on-market buy-back of Shares subject to conditions, such as the purchase of up to a maximum of 15% of the issued capital by the Company. Such an on-market buy-back would exceed the 10/12 limit.

Resolution 4 authorises an on-market buy-back for the current financial period expiring on whichever is the earlier of:

- the anniversary of the passage of this resolution; or
- the 2011 Annual General Meeting.

- 5.3 The price that the Company will pay under the on-market buy-back offer is the current market price as outlined below. For there to be a “current market price”:

- share trades must have been recorded on the ASX on at least 5 trading days in the 3 months preceding the buy-back (ASX Listing Rule 7.29);
- the Company must have made an announcement to the ASX that it complies with that Listing Rule and intends to proceed with an on-market buy-back; and
- there must be a moving cap calculated at 5% above the average of the market price of the Shares calculated over the last 5 days in which trading in the Shares was recorded, with the buy-back to occur on the next trading day (ASX Listing Rule 7.33).

- 5.4 As required by section 257C(1) of the Corporations Act, the implementation of the buy-back is conditional on the approval by a resolution passed at a general meeting of the Company. This resolution is an ordinary resolution and will be passed if a majority of votes cast, in person or by proxy, attorney or representative by Shareholders at the meeting is cast in favour of the resolution.

- 5.5 If this resolution is passed, the buy-back may be implemented by the Board at any time by making the announcement to the ASX required by the ASX Listing Rules. Nevertheless, the Board may choose not to proceed, or to proceed at a later date (see item 5.6 (c)).

- 5.6 If the Board makes the relevant announcement the on-market buy-back will be effected on the following terms:
- (a) The maximum percentage of Shares to be bought back is 15%. Based on the number of ordinary shares on issue as at the date of this notice being 54,285,307 shares, the maximum number of Shares to be bought back would be 8,142,796.
 - (b) The Constitution does not, at the relevant time, preclude the buy-back of Shares or restrict the Company's power to do so. The Company will stand in the market to buy-back not more than 15% of its ordinary share capital and this can be done on a continuous basis.
 - (c) The Company intends that no offer will be made earlier than 21 May 2010 and the relevant Shares will all have been bought back before the close of business on 20 May 2011, however, the resolution can operate for as long as 12 months or until the next AGM, whichever occurs first.
 - (d) In the event that the ASX Listing Rules are inconsistent with any term of the on-market buy-back set out in this explanatory statement, the Company intends that such Listing Rule(s) override that term to the extent of that inconsistency.
 - (e) Acceptances, once given, are irrevocable.
 - (f) At the date of this explanatory statement, no Director had determined whether he will accept a buy-back offer in respect of shares in which he has an interest.

5.7 **Advantages of Introducing a Share Buy-back**

The key advantages of the on-market buy-back being allowed to proceed are as follows:

- (a) increase the liquidity of the Shares;
- (b) an efficient use of any surplus capital that becomes available to the Company in a market where finding suitable investments proves difficult;
- (c) increasing price competition for the Shares; and
- (d) the promotion of a more efficient capital structure.

5.8 **Disadvantages of Introducing a Share Buy-Back**

The key disadvantages of the on-market buy-back being allowed to proceed are as follows:

- (a) it reduces the cash balances of the Company; and
- (b) it is on a selective rather than equal access basis.

- 5.9 The financial effect of the proposed buy-back will be to deplete the Company's cash reserves and/or to increase its borrowings depending upon the appropriate funding mix utilised by the Directors at the time the offer proceeds. Against this, the share capital of the Company will be reduced with a likely beneficial increase of net tangible asset backing per share. The offer will not proceed if the buy-back would materially prejudice the Company's ability to pay its creditors.

The Company intends to utilise its cash reserves to pay for the Shares it buys-back when making the on-market offer and to supplement same with borrowings. The break-up between one and the other will depend on the circumstances of the Company at the time the offer is made and will be detailed in the relevant announcement to the ASX.

By way of example, an on-market buyback offer at \$0.20 per Share would require maximum funding of approximately \$1,628,559 (assuming full acceptance of the buy-back offer 15%).

- (a) Accepting the on-market Share buy-back may have financial, taxation, or other ramifications for Shareholders depending upon each such Shareholders' personal circumstances and the Board recommends that before accepting any on-market offer, Shareholders should obtain their own professional advice.
- (b) The financial statements of the Company are available on the Company's website at www.vitalifesciences.com.au.

- (c) The Company is satisfied that this notice of meeting and explanatory statement set out all the information known to the Company that is material to the decision how to vote on the resolution.

If approval of Resolution 4 is not given, the Company is still able to buy-back on market the maximum number of Shares permitted under the 10/12 limit without Shareholder approval.

5.10 **Directors' Recommendation**

The Board unanimously recommends that Shareholders vote in favour of Resolution 4.

6. EXPLANATION AND SUMMARY OF RESOLUTION 5: LONG TERM INCENTIVE PLAN: GRANT OF A LIMITED RECOURSE LOAN TO MANAGING DIRECTOR TO PURCHASE ORDINARY SHARES

- 6.1 Shareholders will be asked to consider and, if thought fit, pass the following resolution as a **special resolution**:

*"That pursuant to ASX Listing Rules 10.14 and 10.15 and in accordance with Vita Life Sciences Limited's "Long Term Incentive Plan" (**Plan**), tabled by the Chairman and initialled by him for purposes of identification, approval is given for the Directors to make a limited recourse loan to Mr Eddie LS Tie, acting in his capacity as the Managing Director of the Company, for a sum of \$560,000 (Loan), which will be used to purchase a total of 2,500,000 new, ordinary, fully paid shares in the Company, on the terms summarised in the Explanatory Statement accompanying the Notice of 2010 Annual General Meeting."*

- 6.2 Shareholder approval was previously sought and obtained at the meeting held on 31 May 2004 for the Company to adopt a Long Term Incentive Plan (**Plan**) with the purpose of encouraging Directors, officers and employees to share in the ownership of the Company and therefore to retain and motivate those benefiting to drive performance at both the individual and corporate levels. A summary of the Plan as approved or as amended (subject to approval of Resolution 3), is included at paragraph 4.3 of the Explanatory Statement. The necessary resolution thus having been passed, the Corporations Act now permits financial assistance to be given to Mr Tie, the Managing Director of the Company, to acquire Shares under the Plan.

- 6.3 The Corporations Act also regulates in Chapter 2E the giving of a financial benefit to a related party of a public company. Vita Life is such a company and, as a director, Mr Tie is regarded as a related party. However, there is an exemption from the operation of Chapter 2E where the financial benefit is "remuneration" paid to a director as an officer or employee of the company. Here, Mr Tie will receive remuneration in his capacity as an officer, namely, as Managing Director of the Company. The only type of benefit that satisfies the term "remuneration" is defined in the Corporations Act narrowly to be one that if it were received by a director would be remuneration under the accounting standard AASB 124 *Related Party Disclosures* dealing with disclosure of directors' remuneration in financial reports (like the Annual Report).

- 6.4 Mr Tie joined the Group as Chief Executive Officer of Vita Healthcare Asia Pacific Sdn Bhd on 27 January 2005 and has been Managing Director of the Company since 1 January 2007. Mr Tie has been instrumental in the turnaround of the Group, capital raising exercise, day to day operations and strategic vision for the Company and the group.

The Board, other than Mr Tie, has decided that his interests should more closely align with those of the Company and, for that reason, has agreed with Mr Tie that, subject to the appropriate resolution of Shareholders being passed at a Shareholders' meeting, Mr Tie will be issued new Plan Shares as described below.

The provision of the limited recourse loan to Mr Tie is proposed to serve as a long term incentive for his continued involvement and support of the business.

6.5 The new Plan Shares to Mr Tie, will be issued in two (2) tranches on the following terms:

Tranche A

- Number:** The total number of Plan Shares applied for is 1,000,000.
- Price:** The subscription price is \$0.20 per Share.
- Security:** Limited to the Plan Shares taken up by Mr Tie, the Company will have no other recourse to Mr Tie for repayment of the loan other than the security provided by the Plan Shares themselves.
- Interest:** Limited to dividends on the Plan Shares.
- Hurdle:** No performance hurdle has been set.
- Term:** From the date of Shareholders' approval until 30 June 2012.

Tranche B

- Number:** The total number of Plan Shares applied for is 1,500,000.
- Price:** The subscription price is \$0.24 per Share.
- Security:** Limited to the Plan Shares taken up by Mr Tie, the Company will have no other recourse to Mr Tie for repayment of the loan other than the security provided by the Plan Shares themselves.
- Interest:** Limited to dividends on the Plan Shares.
- Hurdle:** The cumulative profit before tax of VHAP, the Group's operating company, is not less than \$8,000,000 (Cumulative PBT) for the 3 years ending 31 December 2010, 2011 and 2012 subject to Directors (excluding Mr Tie) having the right to review the Cumulative PBT upwards by giving written notice to Mr Tie by 31 December 2010.
- Term:** From the date of Shareholders' approval until 30 June 2013.

The hurdle for Tranche B is related to the results of the Group's principal operating unit, the Health division. The Health division's operating results are not impacted by costs or any revenue that relate to the Company's ongoing litigation. Therefore, the Directors are of the view that profit hurdles should be linked to the Company's operating business rather than the Company itself.

Application to list the shares will be made after allotment but the shares will be held under a standard arrangement in accordance with the Plan, pending satisfaction of the hurdle set out above.

Shareholders should be aware that Mr Tie should only benefit from this loan in the event that the sale price of the Shares is in excess of \$0.20 per Share in the case of Tranche A and \$0.24 per Share in the case of Tranche B. This is because when he sells the Shares, the proceeds are directed first to retire the loan principal and he then only gets to keep any excess over \$0.20 per Share (in the case of Tranche A) or \$0.24 per Share (in the case of Tranche B).

6.6 The Board, other than Mr Tie who absented himself during the deliberations and from voting at the relevant meeting on this matter, considers that to give the remuneration outlined above, in the form proposed, would be reasonable given the Company's current circumstances and those of Mr Tie, vis-à-vis the Company, including the responsibilities involved in, and obligations required as a result of, his office or employment. There are no obvious disadvantages to the Company of Resolution 5 being passed.

6.7 No Directors (including Mr Tie), nor their Associates may vote on the Resolution. However, the Company need not disregard a vote if cast by a person as proxy for a person who is entitled to vote, in accordance with the directions of the proxy form or if it is cast by the person chairing

the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

- 6.8 A special resolution is required for Resolution 5 which means at least 21 days' notice of this Meeting was required and, to be passed, the Resolution requires an affirming vote by 75% of those present at the Meeting in person, by proxy, attorney or representative and entitled to vote.
- 6.9 Pursuant to ASX Listing Rule 10.15A, this notice includes the following details:

- (a) Mr Eddie LS Tie is a director of the Company;
- (b) The maximum Plan Shares to be purchased pursuant to this Plan by Directors, key employees and officers are 4,071,398 shares based on the number of ordinary shares on issue as at the date of this notice, being 54,285,307 shares (or 7.5% of total shares on issue). Assuming shareholders approved Resolution 3, the maximum Plan Shares for the proposed amended Plan are 5,428,531 shares based on the number of ordinary shares on issue as at the date of this notice, being 54,285,307 shares (or 10% of total share on issue);
- (c) The price of each share acquired under the Plan proposed in this Notice of Annual General Meeting are \$0.20 per Share for Tranches A and \$0.24 per Share for Tranche B, as set out in Explanatory Statement paragraph 6.5 (Resolution 5);
- (d) Since the Plan was approved, Mr Tie was issued 5 tranches of Plan Shares for a total of 935,000 Plan Shares in 2009 following Shareholders' approval. Tranches 1, 3 and 4 of 250,000, 325,000 and 55,000 Plan Shares were issued with an exercise price of \$0.20 per Share, and, \$0.23 per share in the case of Tranche 2 (250,000 Plan Shares) and Tranche 5 (55,000 Plan Shares). Tranches 1 and 4, and, Tranches 2 and 5 were exercisable until 30 June 2011 and 30 June 2012 respectively. Tranche 3 was exercisable until 31 December 2010.

Shareholders had also approved the issue two (2) tranches of 75,000 Plan Shares to Mr Daud Yunus, director of the Company's subsidiaries, with an exercise price of \$0.20 per Share and \$0.23 per Share respectively. The 2 tranches are exercisable until 30 June 2011 and 30 June 2012 respectively.

- (e) Assuming that shareholders approve the election or re-election of director standing for election the names of those directors entitled to participate in the Plan are Messrs Gould, Tie and Sharman.
- (f) No Directors (including Mr Tie) nor their Associates may vote on the Resolution;
- (g) The terms of the loans are set out in Explanatory Statement paragraph 6.5 (Resolution 5);
- (h) Details of any securities issued under the Plan will be published in each annual report relating to a period in which securities have been issued and that approval for the issue of securities is obtained under ASX Listing Rule 10.14;
- (i) Any additional persons who became entitled to participate in the Plan after the resolution was approved and who were not named in the Notice of Annual General Meeting will not participate until approval is obtained under ASX Listing Rule 10.14; and
- (j) The Company will not issue the securities later than 3 years after the Annual General Meeting.

6.10 **Directors' Recommendation**

The Board, other than Mr Tie (who abstains), recommends that Shareholders vote in favour of Resolution 5.

7. EXPLANATION AND SUMMARY OF RESOLUTION 6: LONG TERM INCENTIVE PLAN: GRANT OF A LIMITED RECOURSE LOAN TO A DIRECTOR OF A SUBSIDIARY TO PURCHASE ORDINARY SHARES

7.1 Shareholders will be asked to consider and, if thought fit, pass the following resolution as a **special resolution**:

"That in accordance with Vita Life Sciences Limited's "Long Term Incentive Plan" (Plan), tabled by the Chairman and initialled by him for purposes of identification, approval is given for the Directors to make a limited recourse loan to Mr Daud Yunus, a director of the Company's subsidiary, Vita Healthcare Asia Pacific Sdn Bhd, for a sum of \$72,800 (Loan), which will be used to purchase a total of 325,000 new, ordinary, fully paid shares in the Company, on the terms summarised in the Explanatory Statement accompanying the Notice of 2010 Annual General Meeting."

7.2 Mr Daud Yunus has been a non-executive Director of Vita Healthcare Asia Pacific Sdn Bhd, the holding company for the Health division since December 2004. Mr Yunus is also the non-executive Director of six subsidiaries and two associated companies of Vita Healthcare Asia Pacific Sdn Bhd. The difficulties faced by Vita Life are well documented and have far exceeded Directors' expectations at the time Mr Yunus was appointed a director to the aforementioned subsidiaries. There has been a significant effort made to re-establish the Health division business and Mr Yunus is the only senior executive based in Asia that has remained with the group throughout the troubled period. In the period of his appointment up to December 2005, he received no remuneration for his role in Vita Healthcare Asia Pacific Sdn Bhd and its subsidiaries. The provision of this limited recourse loan to Mr Yunus is proposed to serve as a long term incentive for his continued involvement and support for the business.

7.3 The new Plan Shares to Mr Yunus, will be issued in two (2) tranches on the following terms:

Tranche C

- Number:** The total number of Plan Shares applied for is 130,000.
- Price:** The subscription price is \$0.20 per Share.
- Security:** Limited to the Plan Shares taken up by Mr Yunus, the Company will have no other recourse to Mr Yunus for repayment of the loan other than the security provided by the Plan Shares themselves.
- Interest:** Limited to dividends on the Plan Shares.
- Hurdle:** No performance hurdle has been set.
- Term:** From the date of Shareholders' approval until 30 June 2012.

Tranche D

- Number:** The total number of Plan Shares applied for is 195,000.
- Price:** The subscription price is \$0.24 per Share.
- Security:** Limited to the Plan Shares taken up by Mr Yunus, the Company will have no other recourse to Mr Yunus for repayment of the loan other than the security provided by the Plan Shares themselves.
- Interest:** Limited to dividends on the Plan Shares.
- Hurdle:** The cumulative profit before tax of VHAP, the Group's operating company, is not less than \$8,000,000 (Cumulative PBT) for the 3 years ending 31 December 2010, 2011 and 2012 subject to Directors having the right to review the Cumulative PBT upwards by giving written notice to Mr Yunus by 31 December 2010.

Term: From the date of Shareholders' approval until 30 June 2013.

The hurdle for Tranche D is related to the results of the Group's principal operating unit, the Health division. The Health division's operating results are not impacted by costs or any revenue that relate to the Company's ongoing litigation. Therefore, the Directors are of the view that profit hurdles should be linked to the Company's operating business rather than the Company itself.

Application to list the shares will be made after allotment but the shares will be held under a standard arrangement in accordance with the Plan, pending satisfaction of the hurdle set out above.

Shareholders should be aware that Mr Yunus should only benefit from this loan in the event that the sale price of the Shares is in excess of \$0.20 per Share in the case Tranche C and \$0.24 per Share in the case Tranche D. This is because when he sells the Shares, the proceeds are directed first to retire the loan principal and he then only gets to keep any excess over \$0.20 per Share (in the case of Tranche C) or \$0.24 per Share (in the case of Tranche D).

- 7.4 The Board considers that to give the remuneration outlined above, in the form proposed, would be reasonable given the Company's current circumstances and those of Mr Yunus, vis-à-vis the Company, including the responsibilities involved in, and obligations required as a result of, his office or employment. There are no obvious disadvantages to the Company of Resolution 6 being passed.
- 7.5 No Directors and Mr Yunus nor their Associates may vote on the Resolution. However, the Company need not disregard a vote if cast by a person as proxy for a person who is entitled to vote, in accordance with the directions of the proxy form or if it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.
- 7.6 A special resolution is required for Resolution 6 which means at least 21 days' notice of this Meeting was required and, to be passed, the Resolution requires an affirming vote by 75% of those present at the Meeting in person, by proxy, attorney or representative and entitled to vote.
- 7.7 **Directors' Recommendation**

The Board recommends that Shareholders vote in favour of Resolution 6.
